

Wicks Services Limited  
Sowerby Woods Business Park  
Scarth Road  
Barrow In Furness  
LA13 4QR

Date: 08 April 2019

**Dear Sir or Madam**

**Permit reference: EA/EPR/FB3006FQ/A001**

**Facility/Activity Type: S1517 No 17: Vehicle Depollution Facility**

**Operator: Wicks Services Limited**

**Standard Rules Consultation No. 16 – Revision to rules**

We recently consulted on revised rules for, materials recovery and recycling, waste electrical and electronic equipment (WEEE), storage of electrical insulating oils, metal recovery/scrap metal and onshore oil and gas exploration and mining operation. Our records show that you may hold one or more permits that are affected by these changes. The applicable standard rules are;

- **SR 2008 No 20:** vehicle storage, depollution and dismantling (authorised treatment) facility- existing permits
- **SR 2008 No 23:** waste electrical and electronic equipment authorised treatment facility (ATF) excluding ozone-depleting substances-existing permits
- **SR2008 No21:** Metal recycling site – existing permits
- **SR2010 No 7:** 50kte use of waste in construction
- **SR2010 No 8:** use of waste in construction
- **SR2010 No 9:** use of waste for reclamation restoration or improvement of land
- **SR2010 No 11:** mobile plant for treatment of waste to produce soil, soil substitutes and aggregate
- **SR2010 No 13:** use of waste to manufacture timber or construction products
- **SR2010 No 18:** storage and treatment of dredgings for recovery
- **SR 2011 No 2:** metal recycling site-existing permits
- **SR2011 No 3:** vehicle storage, depollution and dismantling (authorised treatment) facility- existing permits
- **SR2012 No 14:** metal recycling, vehicle storage, depollution and dismantling (authorised treatment) facility- existing permits
- **SR2015 No 1:** The management of extractive waste not including a waste facility, generated from onshore oil and gas prospecting activities including drilling, coring, fall-off testing, acid wash and decommissioning but excluding any well stimulation or hydraulic fracturing, for the production of oil or gas, (using oil and water based drilling mud)
- **SR2015 No 2:** Storage and handling of crude oil arising from onshore oil and gas exploration and production activities

- **SR 2015 No 3:** metal recycling and waste electrical and electronic equipment authorised treatment facility (ATF) excluding ozone-depleting substances
- **SR 2015 No 13:** vehicle storage, depollution and dismantling (authorised treatment) facility
- **SR2015 No 14:** metal recycling site
- **SR2015 No 15:** waste electrical and electronic equipment authorised treatment facility (ATF) excluding ozone –depleting substances
- **SR2015 No16:** Metal recycling site
- **SR2015 No 17:** vehicle storage, depollution and dismantling (authorised treatment) facility
- **SR 2015 No 19:** 75kte non-hazardous household waste amenity site
- **SR2015 No 20:** 75kte- non-hazardous and hazardous household waste amenity site

We consulted on these proposed changes during June to September 2018. We carefully considered the consultation responses and published our decisions in the report.

We have decided to make the amendments to the proposed rules following comments made by consultees.

You can read or download a copy of this response from the following link:

<https://www.gov.uk/government/consultations/standard-rules-consultation-no-16-changes-to-rules>

I am writing to give you formal notification, as required by Regulation 28 of the Environmental Permitting Regulations, that following consultation we will publish the revised rule sets on the [gov.uk web-site](https://www.gov.uk) on 8<sup>th</sup> April 2019.

From 8<sup>th</sup> April 2019 only the revised rule sets will be available for new applications. The revised rules will be applicable to existing permit holders three months from the date of this notification.

For further advice on changing to a bespoke permit please refer to our [GOV.uk pages](https://www.gov.uk)

Alternatively you can submit a pre-application request via our [pre-application service](#).

If you do not have access to the website, or are unsure how to contact your local office, please contact our customer contact centre on 03708 506 506, who will be happy to provide you with further information.

Yours faithfully
